1. 교과목 개요 (Course Description)

1. 강의개요 (Course Overview)[★200~450자]
During the hiring process, the employer begins with a single piece of paper, your resume. Why choose yours over another person's? Next is the interview: Why choose you over another person? This course deals with best practice in portfolio creation, interview strategies, and resume crafting.
2. 강의목표 (Course Objective)[★200~450자]
By the end of this course students will be able to craft an honest, attractive, and concise resume. They will gain practical knowledge of interview strategies, and build confidence through ample practice. Other portfolio items include: online presence, social media, memberships, and more.
3. 핵심 역량 (Core Competencies)
In this class, students will improve their English writing and speaking skills. Through the development of a portfolio they will also learn how to create a number items necessary for employment. Classes will allow students the opportunity to speak constantly, where interviews will place them under pressure to think and speak in English.
4. 선수학습내용 (Prerequisites)
Students must have a basic knowledge of English, and they need to be able to communicate in English. (Having a broad English vocabulary and basic knowledge of how to use computers, especially a program like Microsoft Word will be beneficial.)
5. 학습성과 (Learning Outcomes)
At the end of the semester students will have a portfolio they can use in the future, to apply for employment opportunities. They will know how to create a Resume and Cover Letter, and they will be able to go to any Interview, knowing how to answer questions and how to act appropriately.
